**SUBJECT: NAME CHANGE: KOCH SEPARATION SOLUTIONS IS CHANGING ITS NAME TO KOVALUS SEPARATION SOLUTIONS, LLC**

Dear Valued Customer,

As you may be aware, Koch Separation Solutions has been acquired by an affiliate of Sun Capital Partners, Inc. ("Sun Capital"), a leading private investment firm focused on defensible businesses in growing markets with tangible performance improvement opportunities.

Since we are no longer a part of Koch Industries, we have changed our name from Koch Separation Solutions to Kovalus Separation Solutions, LLC. Our new name reflects both our legacy of offering cutting-edge separation technologies and our vision to create value for our customers.

You will see this change reflected in our website ([www.kovalus.com](http://www.kovalus.com)), our e-mail addresses, which will reflect the domain @kss-sep.com and in our business documentation related to new orders. In addition, future W-9s that we provide you will now list the EIN of our new owner because we will be treated as an entity disregarded as separate from our owner for tax purposes.

Other than these visible changes, it's business as usual for our customers. Our banking information will remain the same. I will continue to lead our management team and we will still be the same company, with the same people, expertise, and commitment to value creation and client service. Your contacts at the company stay the same and you will continue to receive the high level of service and support you have come to expect.

While we ask that you update your vendor and accounts payable records to reflect the name, Kovalus Separation Solutions, LLC, and the updated EIN, all terms and conditions of existing agreements with our customers, vendors, and contractors will remain unchanged. We will commence using our new name in proposals issued and orders accepted after this date.

We thank you for your business in the past and look forward to a continuing and mutually beneficial relationship in the future.

Sincerely,

A handwritten signature in black ink, appearing to read "Manny Singh".
